

ROOM DESCRIPTIONS

27 Wine Room Laura Walker Ltd.

The wine room transports one to the cellars of France and Italy. The lowered lighting and antique doors of the entrance corridor set the mood. A Sub-Zero for fine French wines lines one wall of the wine room. A canvas of St. Frances adorns another wall. Taking center stage are Italian 18th century walnut chairs that surround a large harvest table. Nearby is an incredible painted Venetian pulpit which serves as a bar. The stucco walls and blue, domed ceiling are an excellent setting for the antiques provided by Laura Walker Ltd.
